

Introducing Fix-A-Floor!

new!

- Introducing Fix-A-Floor Repair Adhesive! The Revolutionary New way to finally fix those pesky Loose & Hollow flooring problems! Don't Remove or Replace, Just Drill & Fill...
- Fix-A-Floor Repair Adhesive eliminates the need to dig out the grout, rip up the old tiles & scrape off the thin-set. Never again! Save time, money, dust & yes, your back too!
- Fix-A-Floor is a super strong, very fluid, floor repair adhesive. It does not foam or expand, it remains forever elastomeric,(wont dry out & crack) Dries clear within 24hrs!!!
- Just Drill & Fill through the grout lines,(or wood) Fix-A-Floor travels under the floor & re-bonds the loose flooring & eliminates those squeaky & hollow sounds forever!
- Fix-A-Floor works on every type of Tile, Marble, Stone & Wood flooring!
(Narrow grout lines & Laminate too)
- ***Exclusively Available at The Home Depot!*** **Only \$9.97 per tube!**
- Easy & Fun DIY project that will save thousands! Anyone can Drill & Fill...
See the How-To videos: www.fixafloorworldwide.com
- Works as advertised Guaranteed! It's Fast, Easy & Affordable!

Thank you for your support!
