

Disclaimer

Product: Lighting products and 13FT Metal Pole for solar or AC Lighting

PLEASE READ ALL RELATED INSTRUCTIONS CAREFULLY BEFORE INSTALLING FIXTURES.

CAUTION: FOR AC POWER SOURCE ILLUMINATION SYSTEM, YOU MUST DISCONNECT POWER BEFORE BEGINNING INSTALLATION.

TURNING OFF POWER AT THE SWITCH ALONE IS INSUFFICIENT TO ENSURE YOUR SAFETY. FAILURE TO PROPERLY DISCONNECT THE MAIN POWER SUPPLY MAY RESULT IN SERIOUS INJURY.

- We strongly recommend that you check your local electrical, construction, building codes and consult an electrical contractor or engineer before installing pole/post and lighting system.
- Before starting any digging project, please call 811 to prevent unintentional damage to underground utility lines or ground structures.

SAFETY NOTE: Selecting a pole/post for performance and safety requires a full understanding of various factors and conditions.

Professional engineering assistance in selecting a pole/post is highly recommended. The purchaser is responsible for complying with all codes and requirements. If you choose, install, remove or reinstall a light and/or a pole/post without obtaining such assistance, you do so at your own risk. EESGI is not responsible for any damages in excess of the retail purchase price of the product under any circumstances.
