- Installs on icy or wet surfaces
- Easily installs on steep pitch roofs
- 300 lb. Capacity
- Powder coated safety yellow
- Made in America

Acro's ladder hook is a must have for safety. Its adjustable lock works to secure almost any ladder to your roof, and it is especially helpful when working with weak decking, wet or icy surfaces, steep pitches, and chimney or antenna repairs. The reinforced rod around the hook adds strength and durability, and the caster makes it easy to roll up the roof.
