

30-LB WAXED PAPER ROLL 750 SQ. FT.

70-120

In the growing market of hardwood and engineered nail-down flooring installations, many flooring manufacturers recommend the use of wax paper between the subfloor and wood flooring on above grade installations. Roberts 70-120 Waxed Paper provides professional grade thickness and performance to help ease the installation and reduce squeaks in plywood subfloors.

Roberts, the brand that stands for excellence.
