1. Introduction

Congratulations on your purchase of a high-quality bird cage! This manual will guide you through the proper setup, use, and care of your bird cage to ensure it remains a safe and comfortable home for your pet. Whether you have a small parakeet or a larger parrot, following these guidelines will help you maintain the cage's durability and safety.

2. Unpacking and Assembly

2.1 Unpacking Instructions

1.Carefully Unpack the

Cage: Remove the cage and all components from the packaging.

Avoid using sharp objects that could damage the materials.

2.Inspect for

Damage: Check all parts, including the frame, bars, doors, perches, and any included accessories, for any signs of damage. If you notice any issues, contact customer service immediately.

2.2 Assembly Instructions

1.Lay Out the

Components: Unfold the cage frame and lay out all parts, including

the panels, doors, perches, and any additional accessories.

2. Assemble the

Frame: Connect the frame pieces according to the provided instructions. Ensure all connections are secure and tight.

3. Attach the Doors and

Locks: Secure the doors to the frame and ensure the locks are functioning properly.

4. Install the

Perches: Attach the perches to the designated spots inside the cage. Ensure they are stable and secure.

5. Add

Accessories: Install any additional accessories, such as food and water bowls, toys, or a seed catcher, according to the instructions.

2.3 Placement and Setup Tips

- Flat

Surface: Place the cage on a flat, stable surface to prevent it from tipping over.

- Adequate

Space: Ensure the cage is placed in an area with enough space around it for easy access and cleaning.

- Avoid Direct

Sunlight: Position the cage away from direct sunlight and dra

fts to maintain a comfortable temperature for your bird.

3. Using Your Bird Cage

3.1 Safety Guidelines

- **Supervision:** Always supervise your bird when it is outside the cage to prevent accidents.

- **Secure**

Doors: Ensure the cage doors are securely closed when your bird is inside to prevent escape.

- **No Harmful**

Materials: Avoid placing harmful materials or small objects inside the cage that your bird could ingest.

3.2 Cage Size and Bird Compatibility

- **Size**

Recommendation: Ensure the cage is appropriate for the size and species of your bird. Larger birds require more space to move around and stretch their wings.

- **Bar**

Spacing: Check that the bar spacing is suitable for your bird to prevent them from getting stuck or escaping.

3.3 Environmental Considerations

- **Temperature:** Maintain a comfortable temperature for your bird, avoiding extreme heat or cold.

- Ventilation: Ensure the cage is in a well-ventilated area to provide fresh air for your bird.

4. Maintenance and Care

4.1 Regular Cleaning

- Cleaning: Clean the cage regularly using a mild soap and water solution. Avoid harsh chemicals that could be harmful to your bird.
- Drying: Ensure all parts are completely dry before reassembling the cage to prevent mold and bacteria growth.

4.2 Preventing Damage

- Sharp Objects: Keep sharp objects away from the cage to avoid damage to the bars and frame.
- UV Protection: The cage is UV-resistant, but prolonged exposure to direct sunlight may cause fading over time.

4.3 Storage Tips

- Storage: If not in use for extended periods, disassemble the cage and store it in a cool, dry place.
- Cover: Use a protective cover to shield the cage from dust and debris when not in use.

5. Troubleshooting

5.1 Common Issues and Solutions

- Loose

Parts: Regularly check for any loose screws, bolts, or bars and tighten them as needed.

- Rust: If rust appears, clean the affected area with a rust remover and repaint if necessary.

- Broken

Accessories: Replace any broken or damaged accessories immediately to ensure the safety of your bird.

6. Warranty and Support

Your bird cage is covered by a limited warranty. For more information, refer to the warranty card included with your purchase or contact our customer service.
