## Mandevilla Hanging Basket (Mandevilla ssp)

The Mandevilla Trellis has become a popular spring item over the past few years. This strong plant makes an excellent spring and summer addition to any landscape job or backyard area. The Mandevilla can also be used in blooming containers or in hanging baskets. Or, it can also be used as a climbing trellis look in your backyard wall. The Mandevilla plants are loved by hummingbirds and love to be in full sun but can enjoy a bit of shade especially in winter times.
