

TROY-BILT SERVICE GUIDE

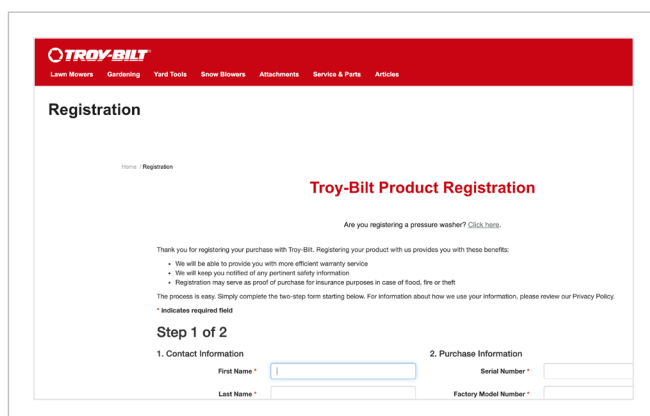

To find a local, authorized service center to service or repair your Troy-Bilt equipment, visit www.troybilt.com/servicelocator.

Visit Troy-Bilt Service & Parts at troybilt.com/service-and-parts to identify the correct part for your equipment, find the nearest authorized service center, contact customer support, as well as access operator's manuals, maintenance articles and how-to videos.

To receive the most recent product ownership updates and information, register your Troy-Bilt equipment at www.troybilt.com/registration.

PRODUCT REGISTRATION BENEFITS

- Notifies owner of pertinent safety and product information
- Communicates parts, service and maintenance messages
- Provides more efficient warranty service, when needed
