PRODUCT NAME: 10 ft. Vinyl L-Trim with Tear Strip

USAGE GUIDE:

Phillips gripSTIK® L-Tear Strip provides a clean line at a variety of wallboard intersections. The tear off strip provides a protective edge and a guide for drywall finishing knives. Once joint compound is applied, finished and painted, the tear off strip is removed to form a clean, crisp edge. Its deeply knurled mud anchors, many perforations, and specially textured surface provide superior paint and joint compound adhesion.

Some of the most common applications of 10 ft. Vinyl L-Trim with Tear Strip include:

- Base Molding
- Decorative Applications
- Wallboard Intersections
- Drywall Trim Accessories

10 ft. Vinyl L-Trim with Tear Strip is available in a standard length of 10ft

10 ft. Vinyl L-Trim with Tear Strip is manufactured from PVC
