

Fabric Upholstered Item Use and Care

Pre-use:

Please feel free to spray one or two layers of fabric Scotch Guard before first use. Different brand Scotch Guard products should work about the same as long as the product is meant for fabric. Please follow the instructions on the product you choose.

Cleaning:

Spot cleaning is recommended if you would want to clean this product. Please use fabric cleaner or spot/stain remover that is meant for fabric. Please follow the instructions on the product you choose for best results.
