

# BLUETOOTH LED-RGB INSTRUCTIONS

## STEP 1

Scan QR Code or go to your app store and download the duoCo Strip app.

## STEP 2

Start the app and select the menu at the top left of the app.

## STEP 3

Select "My Devices" and your device name will show below. Make sure the link icon is not broken next to the device name. If it is then just select the device name and refresh until the link icon shows a solid link.

Device linked  
to Bluetooth

Broken link,  
device NOT  
linked to  
Bluetooth

## STEP 4

Select the menu again to return to the "Adjust" screen and toggle the ON/OFF switch to turn on the LED lights.

## STEP 5

Select the settings icon in the top right and select "Guide" for more detailed instructions.

 duoCo Strip App
