ITEM DETAILS:

Add brilliance and dimension to your space with the Morning Glow glass field tile. This field tile features clear glass with a painted back in a stark white color and a gloss finish, giving the tile dimension and depth. The Morning Glow glass tile's classic subway tile design allows for it to be laid out in various patterns including offset, stacked, and herringbone. Use Arctic White grout to create the perfect look. Combine with other mosaics and field tiles to create impressive installations. For best installation results, use white polymer-modified thinset.
