

Instructions: Portable Golf Car Trunk

NO TOOLS
REQUIRED

DO NOT
MACHINE WASH

NO SOAP

DO NOT
PACK WET

CAUTION

Make sure the portable golf car trunk is secured to the bag well supports before moving your golf car. Make sure the zippers and rip-and-grip closure are closed before moving.

Installation

Attach the portable golf car trunk to the golf bag supports located in the rear of your golf car (Fig. 1).

Use the rip-and-grip close top or the zippered access panel to load and unload the storage area (Fig. 2).
