

Powerful Yet Non-Toxic Mold & Grime Cleaner

Kills and dissolves mold and mildew. Safely and easily removes mold, mildew, dirt, grease and grime from all interior and exterior surfaces. Specifically designed to deeply clean surfaces prior to applying Endurance BioBarrier Mold and Germ Prevention Spray. But can also be used as a powerful yet safe daily household cleaner. Water-based formula is non-toxic and biodegradable. No fumes.

DIRECTIONS: Spray surface from 6 to 8 inches until wet. Allow to stand and dissolve mold, mildew, dirt, grease and grime for 1-5 minutes. Then wipe or rinse until surface is clean.

For tougher jobs, let stand for up to 15 minutes. Scrub with a cloth or brush as needed. Wipe or rinse clean. If necessary, repeat until desired level of cleanliness is achieved.
