

**THE PERFECT LIGHTS,**  
TO CREATE A PERFECT HOME

## GETTING TO KNOW US

SPEX Lighting, a retail brand of Liteline Corporation, is founded on providing professional grade products to homeowners looking for quality and innovation. SPEX is dedicated to producing innovative products that are easy to use, with the latest technology. Turn your house into a home with lighting that can be as customizable as your lifestyle.

SPEX Lighting: the best lighting technologies that seamlessly fit into your life to make lighting convenient and fun.

# GO WIRELESS WITH WIZ

SPEX Lighting partnered with WiZ to provide a wireless, smart home lighting solution. WiZ offers the ability to control your light fixtures from anywhere in the world at the touch of a button. Not only are you able to control your lights and navigate the application with ease, but there are also so many great features that you can take advantage of including vacation mode, timers, and circadian rhythm.

YOUR VOICE IS THE KEY

THERE'S AN APP FOR THAT

SET THE SCENE

NO HUB NEEDED

MULTI-USER

SCHEDULES

MULTI-LOCATION

## GET PLAYFUL WITH COLOR

SPEX Smart Fixtures allow you to fully customize your lights with color and white tuning abilities that fit your mood or vibe for any room or setting. Save your light settings as a scene to access it again!

## SMART HOME CONNECTED

Control your lights through smart home speakers including google assistant, Alexa, and Siri shortcuts, to simplify commands such as turning your lights on or off, changing to a favorite scene, dimming and more.

## SET IT AND FORGET IT

WiZ allows you to create schedules down to the minute to help create the type of home environment you want to have at a given time. Plus, you can feel secure with the built in Vacation Mode by creating schedules to simulate presence in the home, even while you are not there.

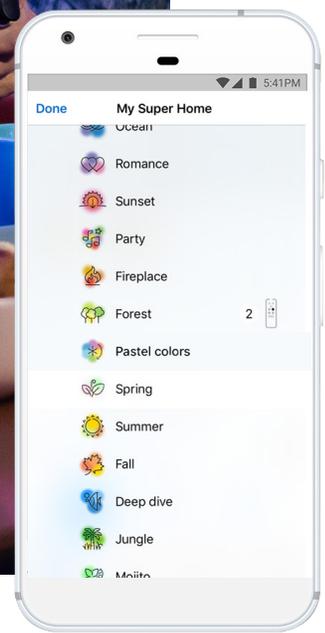

## FEEL AND SLEEP BETTER

With a built in Circadian Rhythm setting your lights can follow the natural progression of the sun which adjusts your internal clock affecting your mental health, mood and sleep patterns.

# GET CREATIVE WITH COLOUR

Have the ability to fully customize any space with full creative lighting capabilities. SPEX Smart Fixtures gives you the chance to change the mood of a space with the click of a button, whether that's for a cozy movie night, a romantic dinner, or a fun dance party with the kids. As well, these Smart Fixtures come with a Circadian Rhythm feature that improves your overall mood, mental health, and sleep.

## SLIM WiZ

4" : SL-SLM4-RGBTW-90WZ  
6" : SL-SLM6-RGBTW-90WZ

The SLIM's key feature is that it is ideal for homes and spaces with low above ceiling space and its slim design is ideal for those who cannot install lighting fixtures that tend to be on the thicker bulkier size. It also offers the ability to change and magnetically snap on trims to match your space.

## BAFFLE WiZ

4" : SL-SLMB4-RGBTW-WZ  
6" : SL-SLMB6-RGBTW-90WZ

This full color and white tunable fixture can be controlled with a Smart Room Controller, and through the WiZ app, or from smart home devices. Our BAFFLE has magnetic baffles to change the color to match your home's style, and has regressed optics, so the lens is further back, which reduces glare.

## SMART ROOM CONTROLLER

SLWZ-SNC-01

Be able to control it all from the wall! The Smart Room Controller allows you to access your WiZ customized features at the click of a button. At a click of a button, you not only have a one touch on/off switch, but you're able to control all of your light fixtures in unison, select your white or colored light display, and toggle through your four favorite scenes/modes in a more traditional way.

## GIMBAL WiZ

SL4-12RG-90WH-WZ

The GIMBAL has a sleek design and is a white tunable fixture which is the perfect product to aid with your body's Circadian Rhythm. This fixture with the use of the WiZ application can replicate the sun's natural progression throughout the day with the artificial lighting in your home. This feature aids your body's overall mood and contributes to a better sleep through the night.

The Circadian Rhythm setting slowly changes the light throughout the day to mimic the natural sunlight. The cool, bright light during the day suppresses melatonin and keeps you alert, while the soft warm white transition, as day turns to night, allows your body to relax and begin melatonin production to help you prepare for a full night sleep.

WET  
LOCATION  
RATED

# 5 SHADES TO FIT YOUR EVERY MOOD

The benefit of a CCT switch is that it allows you the freedom of selecting the color of white that fits for you in your home or given room after the fixture has been installed. This avoids issues of buying the wrong color temperature at the store that does not match other existing fixtures, or gives you the freedom to change it if you don't like the color.

## GIMBAL

White : SL4-12RG-90WH  
Black : SL4-12RG-90BK  
Brushed Nickel : SL4-12RG-90BN  
4-Pack White : SL4-12RG-90WH-4  
4-Pack Brushed Nickel: SL4-12RG-90BN-4

**CCT5**

Selectable  
27, 30, 35,  
40, 50 K

This sleek, fully directional, multi-purpose downlight, has a color selectable switch on the back of the fixture to be able to select the shade of white after the fixture is installed. With a 360-degree rotation and, 30-degree tilt, this dimmable fixture fits perfectly in any room. Plus the GIMBAL is WET location rated and has a Lifetime Warranty.

## SLIM

4" : SL-SLM4-CCT5-90WH  
6" : SL-SLM6-CCT5-90WH  
6-Pack 4" : SL-SLM4-CCT5-90WH-6  
6-Pack 6" : SL-SLM6-CCT5-90WH-6

**CCT5**

Selectable  
27, 30, 35,  
40, 50 K

SPEX SLIM offers a thin profile, that is ideal for residential spaces with low above ceiling space. This dimmable fixture has a color selectable switch that is accessible from below the ceiling to change the shade of white. This WET Location fixture with a Lifetime Warranty also includes interchangeable magnetic trims to easily change the trim color and snap on a new one.

## BAFFLE

4" : SL-SLMB4-CCT5-90WH  
6" : SL-SLMB6-CCT5-90WH  
6-Pack 4" : SL-SLMB4-CCT5-90WH-6  
6-Pack 6" : SL-SLMB6-CCT5-90WH-6

**CCT5**

Selectable  
27, 30, 35,  
40, 50 K

SPEX BAFFLE is a high-performance fixture with a streamline design and has a selectable switch to adjust the shade of white light from below the ceiling. It is budget friendly, easy to install, and energy efficient while also being WET Location Rated and offering a Lifetime Warranty.

Only  
Use With  
Non-Smart  
Lights

## SMART DIMMER SWITCH

SLWZ-DIM-01

Have the ability to make any dimmable fixture smart! Connect this Smart Dimmer to your existing fixtures and to the WiZ app to have wireless control of the circuit. Slide up or down to dim and has a simple touch feature for an easy on and off. You can even control these fixtures through the app or smart home speakers, create schedules, scenes and more to customize your lighting fit your lifestyle.

## MULTI

SL-MULTI4-8W  
4-Pack : SL-MULTI4-8W-4

**CCT5**

Selectable  
27, 30, 35,  
40, 50 K

The SPEX MULTI offers everything you would ever need to upgrade to LED in one convenient box. Dimmable with a selectable white switch on the back, this WET Location, fire rated fixture, can easily retrofit into a 4" can/housing or an existing octagon box. It also includes three interchangeable magnetic trims; white, black, and silver, and all required adapters for this easy upgrade.

Only  
Use With  
Non-Smart  
Lights

## SMART 3-WAY SWITCH

SLWZ-3WAY-01

Wirelessly control non-smart lights at the opposite end of a hallway, a large room, or staircase with the Smart 3-Way Switch. Connecting this 3-way switch to the WiZ app allows for on/off control of non-smart fixtures through the switch, WiZ app, or smart home speakers. You can even set schedules and create scenes to automate your lights.

# ACCESSORIES

## GIMBAL REDUCER RING

White : SL4-12RG-RR-WH  
Black : SL4-12RG-RR-BK  
Brushed Nickel : SL4-12RG-RR-BN

This GIMBAL reducer ring allows you to retrofit a 5" or 6" existing cut hole, with a 4" fixture by adding an extension to the trim, covering the hole.

## SLIM MAGNETIC TRIM

4" Black : SL-SLM4-RT-BK  
4" Brushed Nickel : SL-SLM4-RT-BN  
6" Black : SL-SLM6-RT-BK  
6" Brushed Nickel : SL-SLM6-RT-BN  
6-Pack 4" Black : SL-SLM4-RT-BK-6  
6-Pack 4" Brushed Nickel : SL-SLM4-RT-BN-6  
6-Pack 6" Black : SL-SLM6-RT-BK-6  
6-Pack 6" Brushed Nickel : SL-SLM6-RT-BN-6

Interchangeable magnetic trims for SLIM and SLIM WiZ fixtures.

## BAFFLE MAGNETIC TRIM

4" Black : SL-SLMB4-RT-BK  
4" Brushed Nickel : SL-SLMB4-RT-BN  
6" Black : SL-SLMB6-RT-BK  
6" Brushed Nickel : SL-SLMB6-RT-BN  
6-Pack 4" Black : SL-SLMB4-RT-BK-6  
6-Pack 4" Brushed Nickel : SL-SLMB4-RT-BN-6

Interchangeable magnetic trims for BAFFLE and BAFFLE WiZ fixtures.

## RECESSED PRE-MOUNTING PLATE

4" : SL-4020U  
6" : SL-6020U

Pre-mounting plates are used for new construction projects with an open joist ceiling to map out where fixtures will go. They act as a guide of where to drop wires and later, where to cut holes in the drywall.

## VAPOR BARRIER EXTENDER

SL-VBE-3

Vapor barrier extenders are used to prevent air leakage from entering the attic.
