

10-head Pond Ultrasonic Mist Maker

This 10-head ultrasonic mister fogger utilizes electrical oscillation at ultrasonic frequencies. The pond mister fogger is constructed of stainless steel that is IP67 waterproof and corrosion-resistant for a long lifespan.

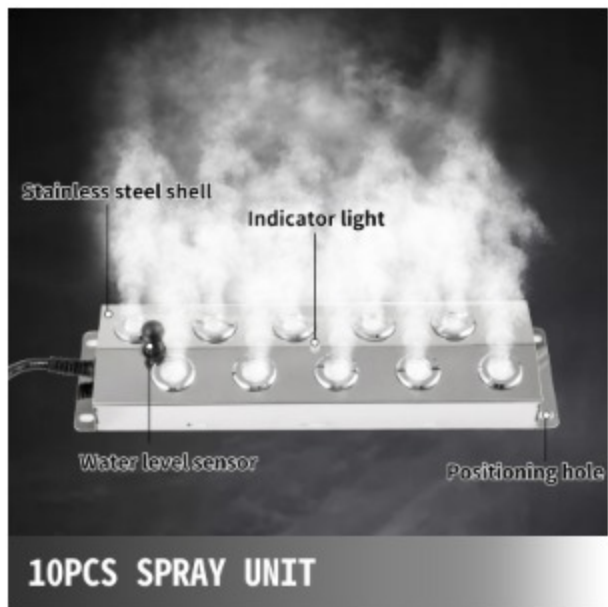

- 10 Head Mist Maker
- Ultrasonic Frequencies
- Waterproof & Safety
- Easy To Operate

Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

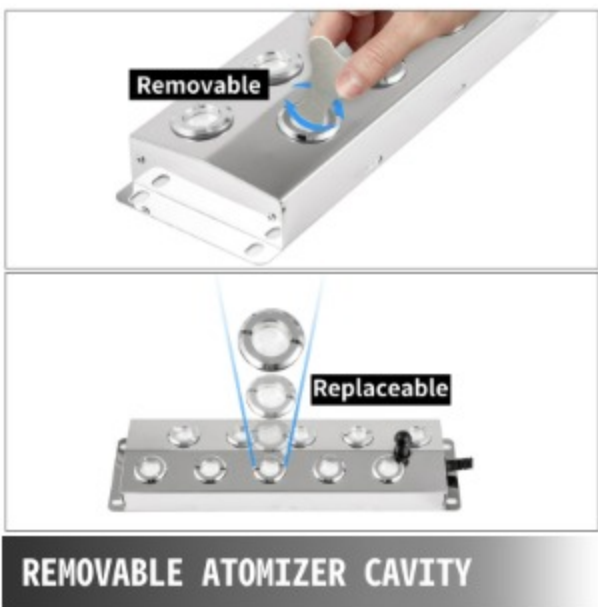

10pcs Spray Unit

The pond fogger is made of good mechanical strength of stainless steel shell that is designed with a 10pcs spray unit to create a huge amount of fog.

Ultrasonic Mist Maker

Utilizing electrical oscillation at ultrasonic frequencies, the 10-head mist humidifier can add a great amount of mist to your pond or water tank to filter the bad smell.

Removable Atomizer Cavity

This product uses high thermal conductivity, high corrosion resistance with a steel shell. Copper cavity helps better heat dissipation, and the removable atomizing sheet is easy to replace.

IP67 Waterproof

The ultrasonic fogger is IP67 waterproof and the length of the power adapter cable is long enough. Automatic induction off water protection.

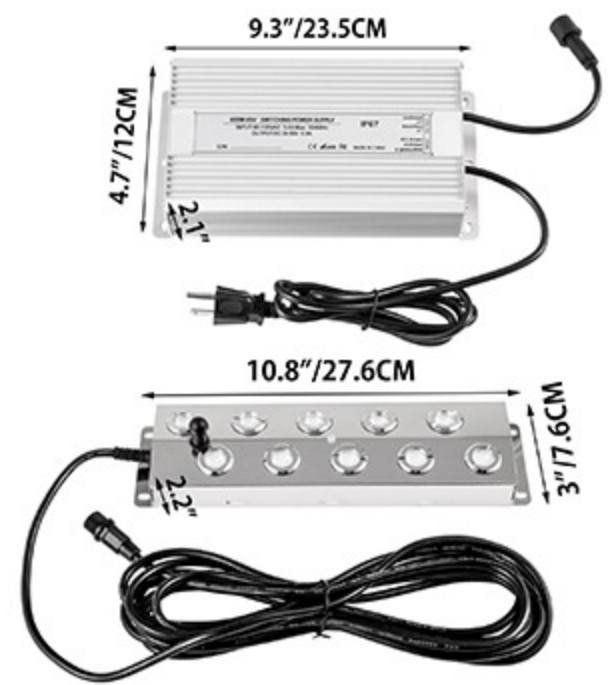

Temperature Control Protection

This ultrasonic fogger features a high-quality transformer. Each nozzle current electronic automatic adjustment to provide safety protection, thereby prolonging life.

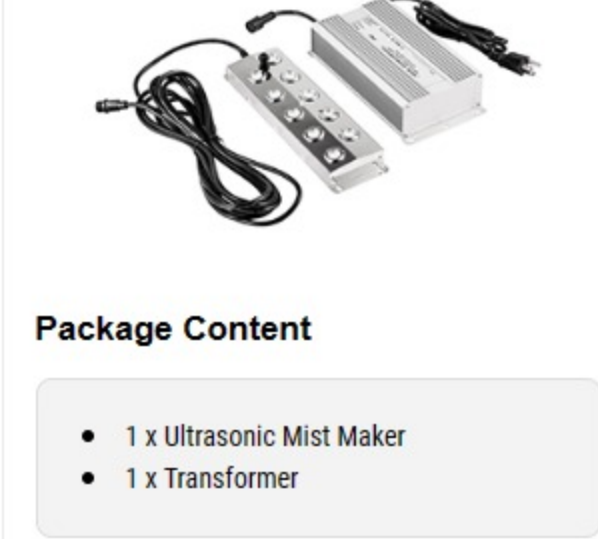

Wide Application

Widely used in your pond, rockery, fish tank, tank, etc. Also used in many horticultural applications including hydroponics, propagation, foliar feeding, and grow room, etc.

Specifications

- Shell Material: Stainless Steel
- Transformer Voltage: 110V/DC 45V
- Output Power: 400W
- Atomizer Power: 280W
- Spray Volume: 5 kg/H
- Cooling Model: Air-cooled
- Atomizer Line: 16.4ft (5 m)
- Water Temperature: 5-65°C
- Power Line: 4.9 ft/1.5 m

Package Content

- 1 x Ultrasonic Mist Maker
- 1 x Transformer

Specification

Shell Material	Stainless Steel	Transformer Voltage	110V/DC 45V
Output Power	400W	Atomizer Power	280W
Spray Volume	5 kg/H	Cooling Model	Air-cooled
Atomizer Line	16.4ft (5 m)	Water Temperature	5-65°C
Power Line	4.9 ft/1.5 m
