## 1 YEAR LIMITED WARRANTY

**CE North America, LLC**, warrants your new product to be free from defects in materials and workmanship under normal household use for a period of one (1) year from the date of purchase. During this period, such defects will be repaired or the product replaced at CE's option. Customer is responsible for all costs associated with returning the product to CE. If the product or component is no longer available, we will replace with a similar product of equal or greater value. This warranty does not cover glass, filter wear and tear, damages not in conformity with printed directions or damage to the product resulting from accident, alteration, abuse, or misuse. This warranty extends only to the original consumer, purchaser, or gift recipient. To submit a warranty claim, original sales receipt is required as proof of purchase. This warranty is void if the product is used for other than single-family household use or subjected to any voltage and waveform other than as specified on the rating label (e.g., 120V ~ 60 Hz).

**CE North America, LLC** disclaims all responsibility for consequential, incidental, or commercial losses caused by the use of this product. Some states do not allow this exclusion or limitation of incidental or consequential losses, so the foregoing disclaimer may not apply to you. This warranty gives you Specific legal rights, and you also have other legal rights which vary from state to state.
