## WASTE OIL DRAIN TANK

20 GALLON CAPACITY  
AIR OPERATED

### 20 Gallon Waste Oil Drain Tank

Our oil drain is designed with a large funnel and a 20-gallon steel tank that quickly collects motor oil, transmission fluid, and coolant from under lift-mounted vehicles without making a mess. It has both rigid casters and swivel casters for smooth transport. This drain pan is perfect for evacuating used fluid, including motor oil, transmission fluid, and coolant.

- 20 Gallon Capacity
- Adjustable Height
- Stable Mobility
- Large Diameter Funnel
- Well-Designed Details

### Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

### Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

20 GALLON CAPACITY

### ADJUSTABLE HEIGHT

**Adjustable Range:**  
38"-65"/98-165 cm  
The height can be adjusted according to the height of the lifting car.

### ACCURATE PRESSURE GAUGE

ball valve pressure gauge relief valve

### 20-gallon Capacity

This oil drain tank's capacity could reach up to 20 gallons / 80 L, which can collect waste oil from 8-10 cars. Perfect for collecting and draining used oil and fluids.

### Height Adjustable

The funnel height can be adjusted from 38" / 98 cm to 65" / 165 cm. It can be freely adjusted according to your own needs. It works well with any shop car lift.

### Manual Regulation

The intake volume is controlled by the side of the ball valve, and this easy-to-read pressure gauge helps you accurately monitor the air pressure in the oil drain tank.

### PREMIUM FUNNEL & HOSE

15"

perfect for transferring oil and prevents spills

5.7" high temperature resistant tube

### EASY TO MOVE

4.5" rigid wheel

2.8" swivel caster

### CONSIDERATE DETAILS

ergonomic handle

powder coated steel

### Premium Funnel & Hose

This 15-inch filtered funnel captures every drop of oil without any overflow. Come with a high-temperature-resistant tube, and it can quickly drain oil, antifreeze, and other fluids.

### Easy-to-move Wheels

This portable oil drain features two casters with 360-degree movement and two stationary casters. Easily take your oil dolly around the shop from an oil change to oil change.

### Considerate Details

We use the premium steel frame and powder-coated finishing featuring excellent resistance to deformation, rust, and corrosion to extend its life. And the ergonomic handle is easy to use.
