

### Electric Hoist with Max. 1100 LBS Capability

This electric hoist, featuring a 1100 lbs/500 kg load capacity, is very suitable for lifting engines, tables, wood, and shop equipment—no need to climb ladders and cranks. You can load and drop at a safe distance through the wireless remote control. This is an ideal electric winch for far-ranging scenarios in heavy equipment loading.

- Wireless Remote Operation
- Reliably Powerful Lifting
- Eminent Workmanship
- Security Technologies

# VEVOR®

### Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

### Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

### WIRELESS REMOTE CONTROL

The Remote Control Features a Waterproofing Cover for Harsh Environment

### 328ft Remote Control

We provide you with a wireless remote control with an emergency stop button, which allows you to power loads up and down from a safe distance. In addition, the remote control features a waterproofing cover for a harsh environment, and the remote control distance reaches 328 ft/100 m.

### RELIABLE POWER MECHANISM

### Reliable Power Mechanism

Adopting a complete copper motor covered by aluminum alloy housing that is durable and immune to corrosion, this electric winch features high efficiency and low noise. Designed for long-term use thanks to its immediate cooling effect.

### STRIKING LIFTING CAPABILITY

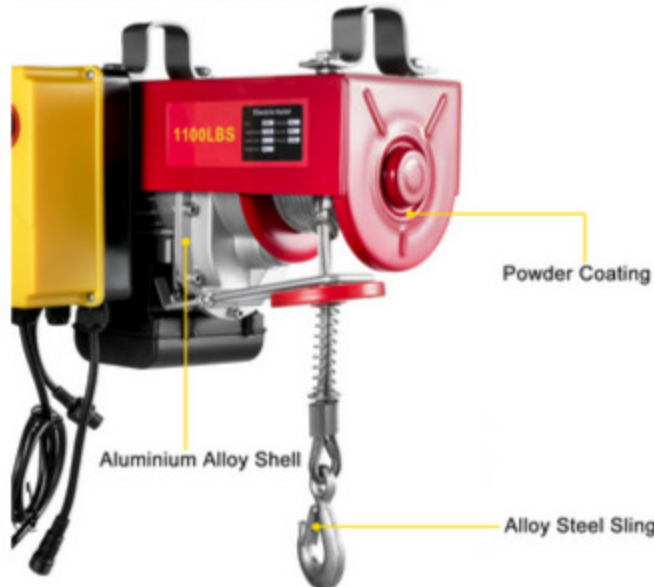

Single Cable: 550 lbs/248 kg, 10 m/min (33 ft/min)

Double Cable: 1100 lbs/495 kg, 5 m/min (16 ft/min)

### Striking Lifting Capability

Thanks to series of advanced craft and designs, our garage hoist meets the various demands on strength and hardness. The single line capacity is up to 550 lbs/250 kg, double line up to 1100 lbs/500 kg.

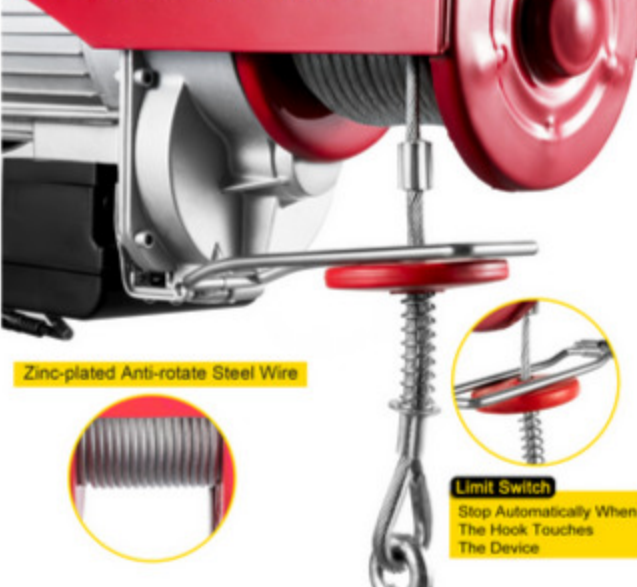

### EMINENT CRAFTSMANSHIP

### Eminent Craftsmanship

Featuring thoughtful designs, including premium alloy steel hook, aluminum alloy house, and powder coating, this jeep hardtop hoist can provide long-term usage with ensured stability and durability.

### SECURITY ASSURANCE

### Security Assurance

When the hook touches the limit switch, the motor stops automatically to prohibit the chains from overloading. Moreover, the zinc-plated anti-rotate steel wire is less liable to twist off, safer than average.

### Great Versatility

This product is perfect for lifting in factories, warehouses, construction, cargo berth, garage, industrial and mining enterprises as an ideal assistant for harsh indoor and outdoor environments.

### Specifications

- Model: DHL1100LBS
- Lifting Capacity: 550 lbs / 250 kg(Single), 1100 lbs / 500 kg(Double)
- Lifting Speed: 33 ft/min(Single), 16 ft/min(Double)
- Lifting Height: 39.4 ft / 12 m(Single), 20 ft / 6 m(Double)
- Material: Alloy Steel & Aluminium Alloy
- Motor Voltage/Power: 110V/1050W
- Item Weight: 30.9 lbs/14 kg
- Item Dimensions: 15.4x10.2x7.5 in/39x26x19 cm

### Package Content

- 1 x Electric Hoist
- 1 x Sling
- 1 x 1.6-meter Strap
- 1 x 6-meter Hoisting Rope
- 1 x Remote Control
- 1 x Manual
