FLOOR BOLT SET

Juego de pernos de piso

EVERBILT

BOWL-TO-FLOOR
Unen la taza al piso

INSTALLATION INSTRUCTIONS

1. Slide bolt in position in closet flange.
2. Apply retainer washers to bolt to hold in place in flange.
3. Line up holes in toilet with bolts in floor flange. With wax ring already on horn outlet of bowl, place toilet on top of flange.
4. Place washer and nut on bolt. Tighten bolt set carefully to prevent breaking the bowl. You can snap off 1-5/8 in or 2-1/4 in or 2-7/8 in according to your need. Set bolt caps in place.
