

LED Bathroom Vanity Light

Instruction Manual

Read Carefully Before Use
Keep for Future Reference

Safety Information

 Danger

Read these instructions carefully before assembly.

- Check for electric, gas, and plumbing lines before drilling or consult a professional.
- **ALWAYS** cut **ALL** relevant power before installing a lighting fixture. **DO NOT** restore power to the line until the lamp has been **FULLY** installed.
- **ALWAYS** wear gloves during assembly and avoid collisions to prevent injury. Also, take care to prevent scratching the surfaces of lamps and wires.
- **DO NOT** mix up the live (black), neutral (white), and ground (bare copper) wires.
- Seek professional assistance from certified electricians if needed.
- Ask one or more persons for help as needed.
- **DO NOT** install on uneven, sloped, or damaged walls.
- **DO NOT** use LED lights exceeding the recommended wattage.

 Warning

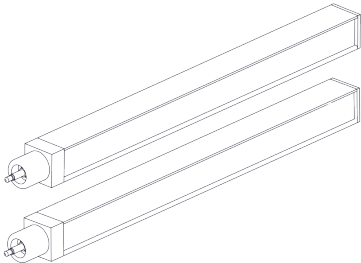

- **DO NOT** change any LED light with bare skin while it is still hot.
- Exercise caution if using incandescent bulbs to avoid the risk of burns or fire.
- **NEVER** reverse the positive and negative poles of the power supply.

Specification

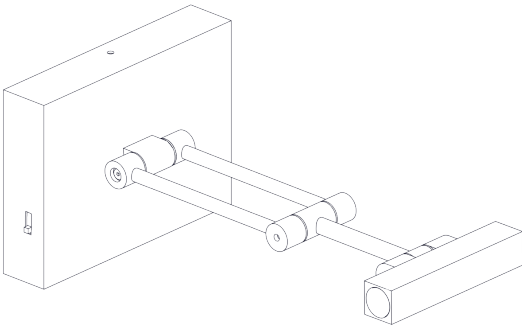

Model	24YL	30YL	36YL
Fixture Dimensions	23.6 × 10.8 × 4.3 in. 600 × 275 × 110 mm	29.9 × 10.8 × 4.3 in. 760 × 275 × 110 mm	35.8 × 10.8 × 4.3 in. 910 × 275 × 110 mm
Maximum Wattage	10.3 W	11.4 W	15.4 W
Voltage	AC 120–277 V		
Light Source	LED		
Color Temperature	3000, 4200, 6000K		
Luminous Flux	900 lm	1000 lm	1300 lm
Waterproof Level	IP44		
Color Finish	Matte Black, Brushed Nickel, Brushed Gold		
Weight	1.7 lb. / 0.77 kg	1.8 lb. / 0.82 kg	2 lb. / 0.92 kg

Troubleshooting

Q1: The light won't turn on.

A:

- Ensure the power is on.
- Check the wiring.
- Replace the LED light if necessary.

Q2: The light flickers or dims intermittently.

A:

- Ensure the fixture is securely connected to the power source.
- Check for stable power supply voltage.
- Turn off the power and inspect for loose wiring; tighten if needed.

Q3: The light is too dim.

A:

- Ensure the power supply voltage meets the required specifications.
- Ensure the LED light is not covered by dust or debris; clean it with a dry cloth if necessary.

Q4: The light turns off unexpectedly.

A:

- Check if the LED light is overheating and ensure proper ventilation.
- Verify the circuit breaker isn't tripping due to overload.

Disclaimer

Read this disclaimer completely and carefully before proceeding with the rest of the manual content.

1. Product Modifications

Any modifications or alterations to this product void any warranties and may result in damage or injury. We shall not be liable for any damages resulting from such modifications or alterations.

2. Compliance with Laws

Customers shall be liable for ensuring that the use of this product complies with all applicable laws and regulations in their respective jurisdictions. We assume no responsibility for any violations of laws or regulations resulting from the use of this product.

3. Correct Use

Always use this product only as directed in the accompanying manuals. Failure to follow instructions may result in injury or damage.

Always ensure the assembly, installation, operation, maintenance, or repair of this product is carried out by a competent person.

Always make maintenance regularly throughout this product's lifecycle; you have the liability to keep the product operating as intended.

Always wear appropriate protective gear.

4. Third-Party Products

We shall not be liable for any damages or losses resulting from the use of third-party products in conjunction with our products. Customers shall refer to the third-party's guidelines or/and warranties (if any) for any third-party products used.

5. Limitation of Liability

We shall not be liable for any direct, indirect, punitive, incidental, special, or consequential damages to property or life, whatsoever arising out of or connected with the use or misuse of our products. In no event shall our liability exceed the value of the products sold.

6. Warranty

Refer to the sales page for warranty information.

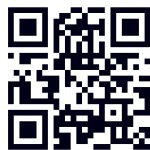

This disclaimer states the entire obligation of us with respect to this product. If any part of this disclaimer is determined to be void, invalid, unenforceable, or illegal, including but not limited to the warranty disclaimers, liability disclaimers, and liability limitations set forth above, the invalid or unenforceable provision will be deemed superseded by a valid and enforceable provision that most closely matches the intent of the original provision and the remainder of the agreement shall remain in full force and effect.
