

Warranty

NORWESCO offers a three year warranty from the date of manufacture. Should a defect appear within the warranty period Norwesco will supply a new, equivalent tank in replacement thereof. Norwesco's liability is limited to the value of the tank itself and specifically excludes the cost of installation and/or removal or consequential damages.

Please contact your chemical supplier or Norwesco Customer Service for chemical resistance information. Tank dimensions and capacities may vary slight and are subject to change without notice.
