- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

SUITABLE LENGTH 15FT

Suitable Length 15ft

15ft long to provide sufficient length needed to reach distant power outlets and sources. Meeting the needs of most families.

RELIABLE POWER SUPPLY

Reliable Power Supply

Adopts pure copper. It is available in STW 6AWG/3C+8AWG/1C wire sizes for higher conductivity. Faster and safer than other products on the market.

PVC PROTECTIVE COVER

FLAME-RETARDANT COATING

Flame-retardant Coating

Coated with a heavy-duty flame-retardant coating, and the outer wrapped heat-resistant PVC protective cover against high temperature and waterproof.

CONVENIENT PLUG

Convenient Plug

Professional handle eliminates frustration by assisting users in safely and conveniently gripping, plugging, and unplugging the male and female ends without straining or damaging the cord.

ADJUSTABLE CORD ORGANIZER

Adjustable Cord Organizer

Flexible extension cable for smaller space, adjustable cord organizer and carrying strap handle makes storage easier.

WIDE APPLICATION

Wide Application

Excellent use at campsites, electric car charging stations and other outdoor use, also for most RVs, campers, trailers, and vehicles.
