DRAIN CLEAN STICKS

- KEEPS DRAINS & PIPES FLOWING
- ELIMINATES & PREVENTS ODORS
- ENZYME ACTION
- BREAKS UP BUILDUP
- SAFE FOR ALL SEPTIC SYSTEMS
- WILL NOT HARM SINKS, TUBS & SHOWERS

Harris Drain Clean Sticks are a concentrated blend of enzymes that kills odors and keeps drains flowing like they should. The enzymes digest organic matter such as soap scum, grease, food and sludge that tends to clog drains and pipes.

Drain Clean Sticks dissolve slowly, dispensing enzymes to break down clogs and prevent further buildup.

DIRECTIONS FOR USE:

Drop one stick into each drain every month. The stick will fall down the drain to the area of the drain pipe where buildup often occurs, releasing enzymes that digest organic matter.

WARNING: Causes eye and skin irritation. May be harmful if swallowed. Avoid breathing vapors or mists. Wash hands thoroughly after handling.

First Aid: **If in eyes:** Rinse eyes with water for 20-30 minutes. Get medical attention. **If on skin:** Flush with water for 15 minutes. If irritation persists, get medical attention. **If swallowed:** Call a Poison Control Center or doctor for treatment advice. Do not induce vomiting.

Use with adequate ventilation. Keep package closed when not in use. Keep out of reach of children and pets. Protect from extreme temperatures. Do not mix with any other household cleaners.

Ingredients: Enzymes, Sodium Sulfate (CAS #7757-82-6), Calcium Sulfate (CAS #7778-18-9), Dodecyl Benzene Sulphonic Acid Sodium Salt (CAS #25155-30-0), Cellulose (CAS #9004-62-0), Xanthan Gum (CAS #11138-66-2), proprietary fragrance and dye.

Contains no Phosphates.
