Zulay Kitchen Warranty

Welcome to the Zulay Kitchen warranty page! Our **LIFETIME WARRANTY** ensures that you keep smiling long after you bought your item and we want to keep it that way no matter what.

We'll be more than happy to replace it for you if it breaks or refund you the full amount back if you don't love it 100%. Since we just want everything to be as convenient as possible, you wouldn't even have to return it so you can save yourself a trip to the post office!

Fill out our quick warranty registration form below.

However, we also want to make sure you get the right product and not a counterfeit or used one. So we just wanted you to know these points so you know what the warranty covers.

We do not cover unauthorized resellers, so we hope you can support our business and buy directly from us! The warranty covers all purchases sold and shipped by Zulay Kitchen, that includes:

- ZulayKitchen.com
- Amazon.com
- Wayfair.com
- Walmart.com
- Target.com
- Ebay.com
- Falabella.com
- Facebook Marketplace

So please check that it is Sold & Shipped by Zulay Kitchen, and not a knock-off seller or a resold item. As long as we're able to find your Order number in our system back.

SPIN TO WIN

- Used or "open-box" merchandise is not covered by our warranty.

- If you bought it used or refurbished from Amazon Renewed, they have a 90-day warranty on it and you can call them up directly so they can take care of you.
- To prevent potential abuse, we are limiting the replacements to one time. But don't worry, we'll still refund you in the off-chance the replacements still don't work.
- If you received the product as a gift, just email us at support@zulay.net with a photo of the defective item and your address, and the full name of the person who gifted it to you. We will attempt to locate the order for your warranty.

Once again, thanks for supporting our family-owned business and we promise you that we'll make good on our word of providing you the Kitchen Happiness you deserve.
