

# SPLASHBACK TILE

## Specification Sheet

### Contempo Vista Frosted Glass Wall Tile

Want a spa-like atmosphere for your bath? Try our striking 2x16 tile to add some color and style to your decor and give it a more distinct look. These glass tiles will add a durable lasting beauty and value to your bathroom, kitchen, fireplace, or pool installation. The color is painted on the back of the tile so it will not scratch or chip off. You can also use this as a finishing piece or border of your project.
