GROW BEAUTIFUL VEGETABLES, FRUITS, HERBS AND FLOWERS

VIGORO® soils and amendments are blended to grow beautiful plants. Our VIGORO® ALL-PURPOSE POTTING MIX continuously feeds plants for up to 9 months. It is specially blended for pots and containers, indoors or out.

### DIRECTIONS

**1 SELECT**  
Select a slightly larger pot with a drainage hole.

**2 FILL**  
Place potting mix in the new pot leaving enough room for the plant. Fill pot about 1/3 full.

**3 LOOSEN**  
Remove the plant from the old pot by turning it upside down and gently tapping it on the sides and bottom. Lightly loosen the roots to help improve root establishment in the new pot.

**4 PLANT**  
Place the plant into the new pot and fill around the roots with potting mix leaving a 1/2 in space at the top below the rim.

**5 WATER**  
Water thoroughly and let drain.

#### IMPORTANT

We recommend wearing gardening gloves when using this product.

#### WATERING TIPS

Let mix dry to the touch between waterings. Do not allow plants to sit in drainage water. Outdoor plants may require daily watering in hot weather.

#### FERTILIZING

Apply fertilizer according to package directions when plants show signs of slowed growth or foliage turns a lighter shade of green.
