FEATURES & BENEFITS

- Storage Space** - Generous 21.6 cu. ft. of flexible storage space
- Flex Drawer** - Choose precise temperatures for meats, veggies, beverages and even your favorite bottle of wine
- Crisper Drawers** - Two humidity controlled crisper drawers provide flexible storage space and keep produce fresh longer
- Triple-Tech Cooling System** - Triple-tech cooling system controls the temperature of each compartment with a separate airflow, increasing humidity levels and reducing frost build up
- Counter-Depth** - Maximize your kitchen space by taking up less room than a standard depth refrigerator and enjoy clean design with a virtually seamless transition with your countertop
- Door Storage** - Gallon door storage provides extra space for large containers, like milk and juice
- Ice and Water Dispenser** - Keep cool with the in-door ice and water dispenser that has a dedicated water filter replacement reminder and an option for cubed or crushed ice
- Showcase LED lighting** - LED lighting positioned throughout the interior for better visibility of food inside the refrigerator
- Adjustable Racks and Shelves** - Adjustable racks and retractable shelves are designed to provide a variety of configurations to fit wide and tall items with ease
- Super Freezing and Cooling Function** - Keep food fresh by accelerating the freezing and cooling process of a freshly stocked freezer or refrigerator by dropping temperatures to the coldest settings within 24 hours
- Individual Ice Maker Cooling Control** - The separation of cooling controls seals the ice maker system and keeps odors out to keep your ice from smelling or tasting like the other items in your refrigerator
- Freezer Drawers** - Two separate freezer drawers for easy and organized access to the things you need
- Water Filtration** - Impurities are removed from the water with a replaceable filter
- Automatic Ice Maker** - Automatic ice maker produces 4.4 lbs. a day and storage allows for 1.7 lbs
- Fingerprint Resistant Stainless Steel Finish** - Beautiful, easy-to-clean stainless steel finishes are fingerprint and smudge resistant
- Door Alarm** - Refrigerator door alarm notifies you if the door is left ajar for too long
