

WARRANTY

The methods and techniques described herein represent some that have been used successfully to obtain the desired results. Allow new pavement to cure –we recommend 6 months or a full winter prior to applying Lift™ (If water ‘beads up’ on pavement, it has not fully cured). All variations in asphalt, climate conditions and equipment cannot be anticipated by Dalton Enterprises. The decision to use any of these methods and techniques is entirely at the election and responsibility of the user. Since seller cannot control the manner of use of Lift™ after purchase, seller will not be responsible for any consequential or indirect damages. Dalton will not be liable for areas that have ponding waters, poor drainage or snow removal damage. Dalton Enterprises, Inc. warrants that this product meets Dalton’s manufacturing specifications. Lift™ product is warranted from defects for a period stated on the pail from date of purchase when applied according to our application instructions. Use of roller, brush or non-Lift™ squeegees VOIDS the warranty. No warranties will apply if the goods are in any way altered or modified after delivery by seller. There are no express warranties which extend beyond the description on the face hereof, manufacturer disclaims any implied warranties. This warranty does not include labor costs incurred for the application, re-application or consequential damage costs. If repair products were used, latex-ite® repair products must be used for warranty to be honored. Not applicable on commercial parking lots. This warranty gives you specific rights and you may also have other rights which may vary from state to state. Original proof of purchase required for warranty claims.
