

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye and skin irritation. Harmful if swallowed, absorbed through the skin or inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing dust. Wear eye protection, gloves, long sleeve shirt, and pants when handling product outside of its container. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

**FIRST AID**  
**IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

<b>ACTIVE INGREDIENT:</b>	
Calcium chloride .....	78%
OTHER INGREDIENTS:.....	22%
<b>TOTAL:</b> .....	<b>100%</b>

**Directions For Use**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product efficiently removes moisture from the air. It works most efficiently in closed areas and places that remain that way for long periods of time such as closets, cabinets, pantries, coolers, and vehicles in storage. The effectiveness of this product will be compromised in well ventilated spaces. Do not use this product in moving vehicles.

**STORAGE AND DISPOSAL:** Store at room temperature. Do not puncture or remove calcium chloride crystals from containers or packaging except to refill container. During use crystals will dissolve and leave liquid in bottom of container. When liquid reaches full line, open lid and pour liquid into toilet. If refilling, follow Directions for Use on refill container. If not refilling, discard empty container in trash.
