Product Limited Warranty & Satisfaction Guarantee

EcoStrong LLC (“Company”) warrants that its products sold under the EcoStrong® brand are manufactured in accordance with the specifications stated on the product label at the time of shipment and are free from defects in materials and workmanship when used as directed.

Because these products are consumable in nature and their effectiveness may depend on factors beyond the Company’s control—including but not limited to application method, environmental conditions, severity of the odor or contamination, and compliance with use directions—the Company does not offer a performance guarantee or extended warranty.

If a product is found to be defective or fails to meet label specifications, the Company’s sole obligation, and the purchaser’s exclusive remedy, shall be **replacement of the product or refund of the purchase price**, at the Company’s discretion, upon proof of purchase.

This limited warranty is **in lieu of all other warranties**, express or implied, including any implied warranties of merchantability or fitness for a particular purpose. The Company shall not be liable for incidental or consequential damages.

This warranty applies only to products purchased through authorized retail channels, including The Home Depot.
