WARNING: HEALTH AND SAFETY INFORMATION

To avoid damaging your device, accessories, or any connected devices, and to reduce the risk of personal injury, discomfort, property damage, or other potential hazards, follow the precautions below and those found in the Nest Doorbell safety information at g.co/nest/safety. Review the safety guidelines at g.co/nest/safety before installing and using your Nest Doorbell:

- Handle your Nest Doorbell with care. You may damage the device or the battery if you disassemble, drop, bend, burn, crush, or puncture your device. Nest Doorbell and its charge cable are designed to work best in ambient temperatures between -4°F and 104°F (-20°C and 40°C), and should be stored between ambient temperatures of -4°F and 176°F (-20°C and 80°C). Do not expose Nest Doorbell to temperatures above 176°F (80°C) as this may damage the doorbell, overheat the battery, or pose a risk of fire.
- When using the device next to your body, maintain a distance of 20 cm (8 inches) from your body to be consistent with how the device is tested for compliance with RF exposure requirements.
- Be sure the charge cable and device are well ventilated when in use. Using a damaged charge cable or using it when moisture is present can cause fire, electric shock, injury, or damage to the device or other property. Do not expose your device to liquids, which can cause a short circuit and overheating. If the device gets wet, do not attempt to dry it using an external heat source. Do not charge the device when it is wet or in direct sunlight. When charging, make sure the charge cable is easily accessible. This product is intended for use with a certified Limited Power Source (LPS) per IEC 60950-1 / IEC 62368-1, rated output: 5 VDC, 1.5 A. Only charge your Nest Doorbell with the included charge cable. Failure to use the charge cable included can cause fire, electric shock, injury, or damage to the device.
- Your device is designed to be wall-mounted. Install in accordance with local building and installation regulations, using a base plate, wall screws, and wall anchors suited for your wall type. If connecting Nest Doorbell to existing wiring, turn off power to the doorbell before installation and only use the wire connector provided as not doing so may cause fire, electric shock, injury, or damage to the device or other property. See g.co/nest/installdoorbell for additional wall-mount instructions.
- Strangulation hazard. This device is not a toy. Children have strangled on cords. Keep the device cord out of the reach of children (more than 3 feet / 1 meter away).

Battery

Nest Doorbell contains a lithium-ion battery, which is a sensitive component that can cause injury if damaged. Do not attempt to remove the battery. This Limited Warranty applies only if you are a consumer and purchased your Google product ("Google Product") in the United States or Canada.

What does this warranty cover and how long does it last? Google warrants that a new Google Product (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for one year from the date of original retail purchase in its original packaging by you. If a Google Product has been refurbished, Google warrants that the Google Product (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for ninety days from the original date of retail purchase by you (these warranties are collectively referred to as our "Limited Warranty").

What will Google do? (THIS IS YOUR EXCLUSIVE REMEDY) If a defect covered by this Limited Warranty arises and you return your Google Product during the Limited Warranty period (which is one year for new Google Products and ninety days for refurbished Google products), Google will in its sole discretion and to the extent permitted by law repair your Google Product using new or refurbished parts, replace your Google Product with a new or refurbished Google Product functionally at least equivalent to yours, or accept the return of your Google Product in exchange for a refund of the purchase price you paid for your Google Product. If Google repairs or replaces your Google Product, the repaired or replaced Google Product will continue to be warranted for the remaining time of the original warranty period. All returned parts for which you have received a replacement will become the property of Google. Repair or replacement may result in loss of data. Nothing in this Limited Warranty will reduce or otherwise affect your statutory rights in relation to your Google Product.

THE LIMITED WARRANTY WRITTEN ABOVE IS THE ONLY EXPRESS WARRANTY GOOGLE PROVIDES FOR YOUR GOOGLE PRODUCT, AND THE ABOVE REMEDY IS YOUR SOLE REMEDY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER STATUTORY OR IMPLIED, ARISING FROM COURSE OF CONDUCT OR OTHERWISE, REGARDING YOUR GOOGLE PRODUCT, EXCEPT THAT ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT ARE LIMITED IN DURATION TO THE PERIOD OF THE EXPRESS WARRANTY ABOVE (EITHER ONE YEAR OR NINETY DAYS, DEPENDING ON WHETHER YOUR GOOGLE PRODUCT IS NEW OR REFURBISHED).

Some states, provinces or territories do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

What does this warranty not cover? This Limited Warranty is only valid and enforceable in locations where the Google Product is sold and will apply only if you purchased your Google Product from Google or its authorized resellers. This Limited Warranty only applies to hardware components (and not any software elements) of Google Product, and this Limited Warranty does not apply to damage caused by: (1) normal wear and tear; (2)

accidents; (3) misuse (including failure to follow product documentation); (4) neglect; (5) disassembly; (6) alterations; (7) servicing other than by Google-authorized technicians; and (8) external causes such as, but not limited to: water damage, exposure to sharp objects, exposure to excessive force, anomalies in the electrical current supplied to the Google product, and extreme thermal or environmental conditions. This Limited Warranty does not guarantee that use of the Google Product will be uninterrupted or error-free.

YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE AND ITS SUBSIDIARIES AND AFFILIATES (COLLECTIVELY, "GOOGLE PARTIES") SHALL NOT BE LIABLE TO YOU UNDER ANY THEORY OF LIABILITY (WHETHER CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OR FAILURE OF ANY WARRANTY OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES THAT MAY BE INCURRED BY YOU IN CONNECTION WITH YOUR GOOGLE PRODUCT OR THESE TERMS, INCLUDING ANY LOSS OF DATA, WHETHER OR NOT A GOOGLE PARTY OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN AWARE OF THE POSSIBILITY OF ANY SUCH LOSSES ARISING. YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE GOOGLE PARTIES' TOTAL LIABILITY IN CONNECTION WITH YOUR GOOGLE PRODUCT OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID GOOGLE FOR YOUR GOOGLE PRODUCT.

Some states, provinces or territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

How do you make a claim? To make a claim under the Limited Warranty, please contact Google Product Support at g.co/nest/help. You must provide your name, contact information, and the serial number of your Google Product to receive support. You may also be required to provide a purchase receipt.

Other limitations: No vendor, seller, authorized reseller, employee, or representative of Google or its affiliates or any third party is authorized to make any modification, extension, or addition to this Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the remaining terms of this Limited Warranty will remain in full force and effect.

How state, province, territory, and other laws apply to you: This warranty gives you specific legal rights, and you may also have other rights that vary from jurisdiction to jurisdiction.
