

Crispy, crowd-pleasing deep-fried favorites – right from your countertop.

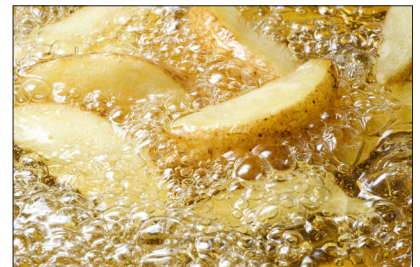

With the Livenza Deep Fryer with EasyClean System it's easy to gather your friends and family for meals and snacks. Whether it's the enticing aroma of crispy French fries, or the mouthwatering fragrance of homemade donuts, every indulgent treat you prepare will be delicious. And, with its large capacity, be prepared for lots of company!

1. EASY DRAINING
Leftover oil is quickly and easily removed with the EasyClean draining system.

2. LARGER COOL ZONE
Food particles drop into the large cool zone keeping the oil cleaner with less odor.

3. LONGER-LASTING OIL
The lower temperature of the cool zone extends the use of oil by 20% – which amounts to a considerable cost savings.

4. COOK FOR A CROWD

The large, 1-gallon oil capacity lets you fry larger quantities for friends, family and even parties.

5. FROM THE FRYER TO THE PLATE

The removable basket makes it easy and safe to take sizzling food out of the oil.

6. LIGHT AND CRISPY

Less oil is absorbed into food, leaving you with light and crispy mouthwatering bites.

7. COMPLETE CONTROL

The adjustable thermostat gives you the power to prepare foods exactly the way you like them.

8. BUILT TO LAST

The solid stainless steel construction is equally matched by its timeless, durable design.

9. NO-HASSLE CLEANUP

In addition to the EasyClean System, the dishwasher-safe parts allow you to enjoy stress-free cleanup.

How do great cooks bring their best to the table? They select the finest, freshest ingredients. And they rely on appliances that help make the cooking process quicker and easier. Convection ovens maintain constant, even heat to bring out all the subtle flavors of a roast chicken. Indoor grills can sear everything from porterhouse steaks to paninis. And deep fryers conserve oil while turning foods a golden brown that's pleasing to the eye as well as the palate.

Introducing the Livenza Collection of beautifully engineered countertop appliances from De'Longhi. Transforming great ingredients into exceptional food.
