

WARRANTY: The methods and techniques described herein represent some that have been used successfully to obtain the desired results. Allow new pavement to fully cure - we recommend 12 months prior to sealing. If water "beads up" on pavement, it has not fully cured. All variations in asphalt, climate conditions and equipment cannot be anticipated by Dalton Enterprises. The decision to use any of these methods and techniques is entirely at the election and responsibility of the user. Sealer is warranted from defects for a period of 3 years from date of purchase when applied according to our application instructions. Since seller cannot control the manner of use of its products after their sale, seller will not be responsible for any consequential or indirect damages. Dalton will not be liable for areas that have ponding waters, poor drainage or snow removal damage. If product is deemed defective, it shall be replaced by Dalton. No warranties will apply if the goods are in any way altered or modified after delivery by seller. There are no express warranties which extend beyond the description on the face hereof, manufacturer disclaims any implied warranties. This warranty does not include labor cost incurred for the application, re-application or consequential damage costs. Failures due to acts of God, fire, structural defects or causes beyond our control are excluded from this warranty. Not applicable on commercial parking lots. This warranty gives you specific rights and you may also have other rights which may vary from state to state. Original proof of purchase required.
