

2 -YEAR WARRANTY ALL IP SYSTEM

LIMITED TWO YEAR WARRANTY

LaView has raised their warranty for their IP systems from one to two years to reflect the higher standard of performance expected from DIY security systems today. “IP systems offer simplified setup and higher quality video with advanced image processing and analysis options. We’re putting our faith in this technology as the widespread security strategy of tomorrow. Doubling our warranty represents our assurance in our product.” Increased warranty protection and continually evolving technology is expected to further establish surveillance systems as part of every homeowners’ basic investments.

As of Nov, 18 2015, LaView is extending the warranty on IP systems to 2 years.
Better technology, Higher standards.
