Care & Maintenance

Cleaning

-

Clean with a soft cloth dampened with mild soapy water.

-

-

Do not use abrasive cleaners or chemicals.

-

-

Dry immediately with a clean cloth.

-

Protection

-

Although acacia wood is naturally weather-resistant, we recommend covering the furniture during prolonged rain or extreme weather.

-
-

Use the included table cover when the furniture is not in use to extend longevity.

-

Wood Maintenance

-

Apply wood oil every 3–6 months to maintain color and finish.

-
-

Store indoors or under a waterproof furniture cover during off-seasons or heavy rain.

-

Storage Instructions

-

Store in a cool, dry place when not in use for extended periods.

-
-

Ensure furniture is completely dry before storage to prevent mold or mildew.

-
-

Warnings

-

For outdoor or indoor use only.

-
-

Do not stand on the table or benches.

-
-

Regularly check for loose screws and tighten if needed.

-
-

Keep away from open flames or heat sources.
