SAFETY INSTRUCTIONS

FAILURE TO FOLLOW THESE SAFETY INSTRUCTIONS MAY RESULT IN SERIOUS INJURY OR PROPERTY DAMAGE AND WILL VOID WARRANTY.

To ensure safety, do not attempt to assemble this system without following the instructions carefully. Check entire box and inside all packing material for parts and/or additional instruction material. Before beginning assembly, react the instructions and identify parts using the hardware identifier and parts list in this document. Proper and complete assembly, use, and supervision are essential for proper operation and to reduce the risk of accident or injury. A high probability of serious injury exists if this system is not installed, maintained, and operated properly.

- If using a ladder during assembly, use extreme caution.
- 2 capable adults are recommended for this operation.
- Check base daily for leakage. Leaks will cause system to fall.
- Assemble the pole sections properly (if applicable). Failure to do so could cause the pole sections to separate during play or transport.
- The adjustable height from rim to floor is 1.15-2.1 m.

WARNING

- Do not slide,climb,or play on base or pole.
- Completely fill base according to manufacturer's instructions or the item will tip quickly, causing serious personal injury.
- Do not allow children to move or adjust the item.
- Surface beneath the base must be smooth and free of gravel or other objects. Punctures can cause leakage and could cause the item to tip over.

- Check the pole and all metal parts for rust once a month. Completely remove rust and repaint with exterior enamel. If rust has penetrated any steel part, replace that part immediately.
- Check the item before every use for proper ballast, loose hardware, instability, and signs of corrosion, and repair before each use. Never play on damaged equipment.
- Do not climb on the base or structure in general, as this could result in serious injuries.
- Do not over tighten the hardware as this may damage the products structure.
- Adjustment and moving of the basketball set must be carried out by adults.
- Always place the base of the set on a flat surface.
- The set requires two people for assembly.
- Check the base regularly for any leakage before playing.
