

How to Subscribe to a Ring Protect Plan

Ring Protect is a subscription plan that unlocks premium features for Ring products. With Ring Protect, your Ring home security cameras, mobile cameras and doorbells can record and save video with video history, for up to 180 days in the US.¹

Subscribe to a Plan

You can subscribe to Ring Protect from your account on Ring.com, or you can subscribe on Amazon.com. The instructions below are for subscribing on Ring.com.

- 1. From a web browser, log in to your Ring account.

- location for one price.
- Select a monthly or annual payment option.
- Enter your payment information and check out.
- Review your order and select **Purchase**.

You will receive a confirmation email for your subscription purchase.

¹ Your Ring videos in the cloud are stored temporarily, up to 180 days. Changing your video storage time will only affect videos that are recorded after you adjust your storage time setting.

2. Go to the **Protect Plans** tab and select **Unsubscribed Devices**. You'll see a list of devices that aren't covered by a plan.

3. Select **Subscribe**, then choose a plan and the devices you want coverage for.

• Note: If you selected multiple devices and choose Basic, then the price of Basic will be charged for each device. Ring Protect Plus and Pro cover all devices at a single

24/7 Backup Internet with Optional Extra Data vith your Ring Alarm Pro device ⁶	3GB of data included every month to keep devices on your wifi network online in the event of an internet outage. Option to use as much data as you need with Extra Data for \$3/GB.			
Digital Security with eero Secure with your Ring Marm Pro device ⁷	Help protect your online activity, block ads for faster load times, and apply content filters with eero Secure.			
Ring Edge ⁸ with Local Video Storage with your Ring Alarm Pro device	Your videos and Smart Alerts are processed locally and stored directly on a microSD card inserted into your Ring Alarm Pro, both sold separately.			

*Ring Alarm and all Ring Alarm accessories require a subscription for digital notifications, inapp features, digital arming/disarming, and integration with other Ring, Echo, and third party products. Subscription sold separately.

No long-term commitments. Cancel for any reason.

¹A compatible Ring Protect subscription is required to enroll in the Ring Alarm professional monitoring service is available only within the U.S. (all 50 states, but not U.S. territories) and in Canada (excluding Quebec). Ring does not own its own professional monitoring is not available for a business or commercially zoned address. See Ring alarm licenses at: ring.com/licenses. Additional permit or false alarm fees may apply in areas that require permits or guard response service for alarm verification. If you are interested in learning more about Alarm Professional Monitoring in Canada please learn more about your Protect Plans here.

²Your Ring videos in the cloud are stored temporarily, up to 180 days. Changing your video storage time will only affect videos that are recorded after you adjust your storage time setting. Snapshot Capture photos in the cloud are stored up to 7 days.

³Ring takes recurring photo snapshots throughout the day, so you can see what is happening between motion-activated events (videos) in your Event History Timeline. These photos are stored in your account for up to 7 days. To keep important photos beyond 7 days, download them to your PC or mobile device.

⁴For extended warranty coverage, "Eligible Ring Devices" are Ring device was under the 1-year manufacturer's warranty period at the time you added the device to your Protect Plus/Pro Plan. Non-Ring and other third-party devices are not eligible for the extended warranty. In the U.S., in lieu of the Ring extended warranty, Eligible Ring Devices are covered via a service contract administered by SquareTrade, an Allstate company; SquareTrade/Allstate Protection Plan is included in the cost of the Ring Protect Plan. You may purchase a standalone Allstate Plan by going to www.amazon.com and searching for an Allstate Plan.

⁵A compatible Ring Protect subscription required, sold separately. Alarm Cellular Backup uses a third-party carrier. Coverage will vary.

⁶Extra data charges may apply. Cellular data is provided by a third party carrier. Coverage, uptime, technology, and speeds will vary. May require backup power if the power goes out. Visit ring.com/alarm-pro for more details.

⁷Advanced online security features are available to US customers with eero Secure, which is included with a Ring Protect Pro subscription.

⁸Ring Alarm Pro, a microSD card, and a Ring Protect subscription, all sold separately, are required to use Ring Edge features. For more information, visit ring.com/alarm-pro. Ring Edge is currently not available for Ring Video Doorbell 4, Floodlight Cam Wired Pro, Ring Video Doorbell (1st Gen), or Stick Up Cam (1st Gen), or Stick Up Cam (1st Gen), or Stick Up Cam (1st Gen). Ring Edge live view and stored videos will be initially available only in the Ring App and not on ring.com.

⁹Actual savings vary depending on insurance carrier and policy. Potential savings based on average US home insurance premium of \$1200 and at least 9% discount for alarm professional monitoring.
