VALVE & TRIM BUILDER PROGRAM

3 EASY STEPS

Choose the tub and shower components that best meet your needs.

1. Order the Builder Program Valve (524744) during the rough-in stage.
2. Order the trim pieces needed when you order the rest of your after-paint decor.
 - shower head
 - escutcheon
 - shower handle
 - tub diverter spout (if needed)
3. Mix and match trim pieces to create the design that meets your needs.
