

GLP-2C

2 STEP

PLASTIC STOOL

GORILLA  LADDERS™

EXCLUSIVELY AT 

KEEP IT HANDY

The Gorilla Ladders 2 Step Plastic Stool is a perfect tool when you need a little extra height for reaching items in your kitchen, office or garage. Its large standing platform and cut out handle provide easy portability. With the integrated tool holder, you can keep your supplies right at hand.

STRENGTH

The 325 lb weight rating and heavy-duty molded plastic construction offers lasting durability.

COMFORT

Comfortable, non-slip steps add stability and large, non-marring feet ensures you won't ruin your floor.
