Paramount PVC decking in Flagstone.  
HavenView Countryside railing in Tranquil White.

## Step outside.

Your deck is an extension of your home – where the world slows down, and simple moments become treasured memories. Whether relaxing alone, gathering with loved ones or celebrating with friends, it sets the stage for beautiful outdoor living built for life.

Let us help you create your dream outdoor living space.

# Why Fiberon?

## **Beautiful from start to finish.**

If you haven't seen today's composite decking, you're in for a treat. Fiberon® capped composites capture the warmth and beauty of natural and exotic hardwoods, complete with subtle streaking, varied grain patterns and rich color palettes. And since capped composite decking doesn't fade or degrade like wood, the look you love today will still be there tomorrow.

## **Longer lifespan, lower cost of ownership.**

The average pressure-treated deck can cost thousands per year to maintain and will need replacing before you know it. Fiberon composite decks average less than \$50 in annual maintenance costs. Plus, Fiberon offers industry-leading stain and fade and performance warranties, so you can buy and build with confidence.

## **Safe for your family, safe for the environment.**

Fiberon composite decking contains recycled plastics and lumber mill scraps – enough to prevent 70,000 tons of waste from reaching landfills and incinerators each year. Unlike wood, our composites prevent further deforestation. Plus, they are free of toxic chemicals and manufactured using sustainable processes.

### **Helpful, credible experts.**

Whether it's finding the perfect board color, designing a deck layout or providing tips on selecting a contractor, Fiberon is here to help. We offer straightforward information and honest advice so you can make the best decisions for your unique space.

### **Tools you want, the way you want them.**

Intuitive and easy to use, our Outdoor Living Visualizer, Deck Design Tool and Cost Calculator work on multiple devices so you can dream, design and plan anywhere, anytime.

Learn more at [fiberondecking.com/design-tools](https://fiberondecking.com/design-tools). The Fiberon Discovery Deck Design Tools app can be found on the Apple App Store and the Google Play Store.

### **Local roots, global reach.**

Fiberon products are made in the United States, both in our home state of North Carolina and in Idaho. From these two locations, we distribute throughout North America and to more than two dozen countries in Europe, Asia, Australia, and Central and South America.

Paramount PVC decking in Sandstone.

# fiberon® Paramount®

Discover high-performance, low-maintenance decking that suits a busy lifestyle. Made from durable PVC, Paramount is a great choice if you're looking for something lightweight with excellent slip resistance. Paramount deck boards are wood free, eliminating the potential for mold growth and making them ideal for docks and other waterside applications.

- Lightweight, easy-to-handle boards.
- Resists moisture, dents and flames.
- Offers exceptional slip resistance when dry or wet.

A palette of four colors – three multi-tonal and one solid – provides plenty of design options for a variety of applications.

# fiberon® Concordia™

Concordia composite decking, Symmetry Collection in Warm Sienna.

Create a tranquil outdoor retreat with Fiberon® Concordia decking. From peaceful mornings to warm summer nights, Concordia is the perfect fit for your casual lifestyle. Concordia features our exclusive PermaTech® cap layer, providing superior stain and fade resistance.

- Dramatic colors and streaking emulate exotic hardwoods, and the low-gloss formula and micro-texturing create a unique finish.
- Features subtle grain patterns with no repeats.
- Durable composite core resists splintering, rotting, cracking, insects and decay.

- The flat-profile bottom provides a sturdy feel, reminiscent of traditional lumber.
- Finished surface on top and bottom is ideal for second-story decks, and the reversible boards save time and money and reduce waste.
- Tested for use in cladding applications.
- Contains 94% recycled content.

Square Edge = .935 in. x 5.4 in.  
Lengths: 12 ft., 16 ft. and 20 ft.

**fiberon**® Concordia™

## Composite decking for rainscreen applications.

Fiberon® Concordia square-edge deck boards are suitable for alternate uses, including vertical or horizontal cladding applications. Unlike traditional exterior cladding options, Fiberon cladding is constructed from low-maintenance, high-performance material that resists fading, cracking, peeling, mold development and mildew stains.

- Thick, solid profiles feature embossed grain patterns.
- Two distinct finishes offer subtle or dramatic multi-tonal streaking.
- Boards work in vertical or horizontal applications.
- Easy to cut, easy to install (no special tools or trade-specific labor needed).
- Contains 94% recycled content.
- Suitable for soffits, screen facades and similar applications.

Fiberon Concordia has been tested to be compliant with the 2012/2015 IRC, Section R104.11 and Section R703, and the 2012/2015 IBC Section 1403.2, Section 104.11, Section 1404.1, and Section 1405.17. It has also met the requirements of ASTM E84, NFPA 268, ASTM D1929, ASTM D635, Miami-Dade County Wind Resistance Testing TAS 201/202/203 when installed in accordance with Fiber Composites, LLC written installation instructions. Fiberon Cladding has Florida Approval Number FL21959, and Texas Department of Insurance Product Evaluation #MC-18.

\*When installing Paramount decking, secure stair treads over and in contact with a treated pine 2x6, installed flat, not on edge, as under support and secured with Simpson A23 approved connectors and 10d x 1-1/2 in. hot galvanized nails.

**WARNING:**

Drilling, sawing, or machining wood-composite products containing wood fiber can expose you to wood dust, a substance known to the State of California to cause cancer. Avoid inhaling dust generated from wood-composite products or use a dust mask or other safeguards for personal protection. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

See your Fiberon seller or visit [www.fiberondecking.com](http://www.fiberondecking.com) for details on limited warranties and exclusions.

# How to Purchase

## Fiberon® Phantom® Universal Hidden Fasteners

- For deck surfaces and ramps only. Not for use on stairs.
- Available in boxes of 90 pre-inserted screws with T-15 star-head drive (50 sq. ft. of coverage) for 16 in. on-center installations.
- Also available in buckets of 900 pre-inserted screws with T-15 star-head drive (500 sq. ft.) for 16 in. on-center installations.

## Fiberon® Phantom® GT Line Hidden Fasteners

- For deck surfaces and ramps only. Not for use on stairs.
- Available in boxes of 80 line fasteners, 10 butt-joint fasteners, 95 screws #8 x 1/5 in. and one driver bit (50 sq. ft. of coverage) for up to 16-in. on-center installations.
- Also available in buckets of 800 line fasteners, 100 butt-joint fasteners, 950 screws #8 x 1/5 in. and eight driver bits (500 sq. ft. of coverage) for 16-in. on-center installations.

## Fiberon® ArmorGuard® Hidden Fasteners

- For deck surfaces and ramps only. Not for use on stairs.
- Available in boxes of 80 line fasteners, 10 butt-joint fasteners, six start / stop fasteners, 95 screws #8 x 1/5 in. , six screws #8 x 7/8 in and one driver bit (50 sq. ft. of coverage) for up to 16-in. on-center installations.
- Also available in buckets of 800 line fasteners, 100 butt-joint fasteners, 950 screws #8 x 1/5 in., 60 start / stop fasteners, 60 screws #8 x 7/8 in and eight driver bits (500 sq. ft. of coverage) for 16-in. on-center installations.

## Fiberon® Phantom® EC (End Clip) Hidden Fasteners

- Use with perimeter boards.
- Available in bags (25 lineal ft. of coverage) that include 25 clips, 40 screws and a driver bit for up to 12-in. on-center installations.

## Fiberon® Phantom® 20EC (End Clip) Hidden Fasteners

- Use with Paramount® PVC decking perimeter boards.
- Available in bags (25 lineal ft. of coverage) that include 25 clips, 40 screws and a driver bit for up to 12-in. on-center installations.

## Tiger Claw® TC-G Hidden Fasteners

- Use with Paramount for deck surfaces and ramps only. Not for use on stairs.
- See fastenmaster.com for purchasing options.

## Cortex® and Pro Plug® Hidden Face Fastening System

- Use to secure boards as well as stairs.
- Available in boxes (100 l/f of coverage for 12-in. on-center installations or 140 l/f of coverage for up to 16-in. on-center installations).
- Select colors available in buckets (300 l/f of coverage) that contain 1,050 2-1/2-in. screws, 1,200 color-matched plugs and six setting tools.
- Boxes contain 224 2-1/2-in. screws, 300 color-matched plugs and screw setting tools.

## Cap-Tor® xd Color-Matched Screws

- Cap-Tor xd screws are color matched to Fiberon® decking.
- Available for PE and PVC Deck boards.
- Epoxy coated carbon steel (350 and 1750 screw packages available. T-20 Star bit included).
- 305 Grade Stainless Steel version also available (100 screw package, T-20 Star bit included).
- Use with Smart Bit Depth Setter Bit.

## Deckfast® Fascia Screws

- Designed to handle the large amount of expansion and contraction that can occur with composite deck fascia boards.
- Epoxy coated carbon steel screws (available in 100 screw package with T-20 star bit).
- Fascia drill bit sold separately.

fiberon® HavenView™

## Strong is stylish.

From its understated satin finish to its clever sub-rail reinforcement, HavenView CountrySide railing is the ideal balance of beauty and strength. The sculpted top rail imparts a touch of sophistication. Three color choices and two baluster infill options create multiple designs. The smart composite construction and protective bonded cap layer were engineered for performance and longevity.

## CountrySide

- Refined satin finish adds elegance.
- Composite construction ensures lasting durability.
- Reinforced top rail provides a strong, sturdy feel.
- Hidden hardware gives a clean look.

Sold in line / stair sections as follows:

- 6- and 8-ft. sections for 36-in. rail height.
- 6- and 8-ft. sections for 42-in. rail height.

These sections include top and bottom rails, sub-rails, balusters, crush blocks and holders, and mounting hardware.

Choose from beveled composite balusters or round aluminum balusters.

Tranquil White

Simply Brown

Serene Black

Top Rail = 3 in. x 3 in. Bottom Rail = 2.5 in. x 2 in.

HavenView Countryside railing in Tranquil White.  
See your Fiberon seller or visit [www.fiberondecking.com](http://www.fiberondecking.com) for details on limited warranties and exclusions.

## Maximize your view.

The sleek, minimalist design of HavenView CitySide railing maximizes the view beyond your deck or porch, while the durable, long-lasting aluminum construction minimizes maintenance time and expense. Engineered with a pre-punched bottom rail for ease of install, this lightweight railing solution delivers on reliability, beauty and performance.

## CitySide

- Clean lines and contemporary styling work with any architecture.
- Pre-punched bottom rail enables faster baluster installation.
- Premium powder-coated aluminum resists rust.
- No exposed welds or cuts help prevent injuries.
- Posts feature integral bracketing, providing a clean appearance and reducing installation time.
- Low-maintenance performance material reduces upkeep time and expense.

Matte Black

Top Rail = 2.25 in. x 1.71 in. Bottom Rail = 1.32 in. x 1.31 in.

Four post configurations: end post, line post, corner post and stair post.

Sold in line / stair kits as follows:

- 6- and 8-ft. sections for 36-in. rail height.

These railing kits include top and bottom rails, square metal balusters, crush blocks and mounting screws.

HavenView CitySide railing in Matte Black.

# fiberon® ArmorGuard®

## Traditional look that lasts.

Fiberon ArmorGuard railing is a proven performer. Choose between popular flat or decorative top profiles for your deck, porch or balcony. ArmorGuard railing complements any architectural style and is available with white square composite balusters.

- High-quality composite never needs to be stained or painted.
- Eco-friendly composite core and durable PVC coating ensure lasting performance, resisting splintering, cracking and rotting.
- Easy installation makes it DIY-friendly.

### Deluxe Rail

- Decorative top rail profile.
- 6- and 8-ft. rail kits, hardware sold separately.\*
- 6-ft. stair rail kits, hardware included.
- 1.25 in. x 1.25 in. square balusters.

\*Actual size: 70 in. (6 ft.) and 94 in. (8 ft.).
