Product Overview

The Commercial Electric 12in. LED Color changing flushmount with interchangeable trim produces a gentle and uniform illumination, offering state of the art energy efficient lighting. The LED Flush Mount is constructed from high quality, superior materials offering an enduring performance against light degradation. The LED flushmount includes the benefit of an interchangeable trim to match your decor. The LED Flush Mount is easy to install making replacement of traditional fixtures simple. Ideal for hallways and bedrooms.

Benefits

- Acrylic shade provides even light illumination
- Additional Oil Rubbed Bronze Trim included to match your décor.
- Select your color temperature depending on your needs or preferences with the flip of a switch located on the driver
