SECTION 8. Exposure controls/personal protection

Exposure controls
Protective equipment: Protective glasses advisable though not required.
Other Information: When using, do not eat, drink or smoke.

SECTION 9. Physical and chemical properties

Information on basic physical and chemical properties

Physical state	Liquid	Decomposition Temperature	No data available
Color	Reddish-brown	Relative evaporation rate	No data available
Odor	Organic mulch, earthy	Density	No data available
Odor threshold	Strongest when wet	Solubility	Soluble

SECTION 10. Stability and reactivity

Stability Stable under normal conditions of use

Incompatible Materials No dangerous reactions known under conditions of normal use.

Hazardous Decomposition Products: None

Hazardous Polymerization: None

SECTION 11. Toxicological information

Information on toxicological effects To our knowledge, ingredients not found on OSHA, NTP or IARC lists of carcinogenic chemicals.

SECTION 12. Ecological information

Toxicity, Persistence and degradability: NA
Mobility in soil: Readily biodegradable.
Bioaccumulative Potential: Not established.

SECTION 13. Disposal considerations

Waste disposal recommendations: Follow state and local regulations. Be certain container is completely empty before disposal.

SECTION 14. Transportation information

DOT Shipping Information: Not regulated.

SECTION 15. Regulatory information

EPIC represents that this product is exempt from EPA registration under Section 25 (b) of FIFRA and has not been registered by the EPA. EPIC has complied and registered this product in states that require registration. A full list is available upon request.

SECTION 16. Other information

This document has been prepared in accordance with the SDS requirements of the OSHA Hazard Communications Standard 29 CFR 1910.1200.
