

This sleek Hallman stainless steel steam dishwasher is a stylish addition to any kitchen. Choose from 6 cycles, including Sanitize, Hi-Temp Steam for dishes that need a heavier wash, or the China Crystal Wash Cycle for your most delicate dishware. The Sanitize option eliminates bacteria for ultra-sanitary dishes, even ones that went in heavily soiled. It also enhances drying results. The 24 hour delay timer allows you to wash dishes on your own schedule. Touch Control technology is highly intuitive and easy to use. For days when you're on a tight schedule, the quick wash option cleans dishes in a flash. This ultra-quiet fully integrated dishwasher from Hallman operates at a noise level of only 46 db(A), upholding Hallmans reputation as one of the quietest dishwasher brands in the industry. The adjustable upper and lower racks provide extra flexibility for tall or odd-shaped items like spatulas and coffee pots. The third cutlery rack gives you another area for large utensils, or more silverware. Your dishes are ready to use the minute you open your dishwasher thanks to the Dual Fan System (heating drying + fan drying) that creates a sustained fresh and dry air flow to dry the dishes. The stylish design of Hallman Professional Dishwashers is a great choice to give any kitchen a modern-contemporary decor.
