

Usage Instructions:

1. **Selecting the Location:** Choose an area with soft soil or after watering/rainfall for easier weed removal.
2. **Grasping the Handle:** Firmly grasp the handle of Grandpa's Weeder with both hands.
3. **Positioning the Weeder:** Position the weeding head directly above the weed to be removed.
4. **Inserting into the Soil:** Insert the weeding head into the soil around the weed, ensuring that all claws penetrate the ground.

Leveraging the Handle:

1. Using the long handle as a lever, push down gently but firmly to engage the claws around the weed's roots.
2. **Removing the Weed:** With a slight twist or pull, lift the weeder and the weed out of the soil.
3. **Releasing the Weed:** To release the weed, gently tap the weeding head against the ground or a hard surface, allowing the weed to dislodge.
4. **Repeat as Necessary:** Continue the process for each weed until the area is clear.

Maintenance and Care:

- After each use, wipe down the weeding head with a damp cloth to remove any dirt or debris.
- Store Grandpa's Weeder in a dry and protected area to prevent rusting.
- Inspect the tool regularly for any signs of damage or wear, and replace any worn parts as needed.
- Avoid using excessive force, as this may damage the tool.
- Keep the handle clean and free from moisture to prevent warping.

Safety Precautions:

- Always wear gloves and closed-toe shoes when using Grandpa's Weeder to protect your hands and feet.
- Use caution when handling the weeder to avoid injury from sharp claws or edges.
- Keep the tool out of reach of children and pets when not in use.
- Do not use Grandpa's Weeder for purposes other than its intended use.
- By following these instructions, you can make the most out of your Grandpa's Weeder and enjoy hassle-free weeding in your garden!
