A Screen For Every Bin

There's an **Enclo** privacy screen for trash bins of any size, but before you decide which screen is right for you, please see the sizing chart below where we compare this screen to some of the most common trash bin sizes around the US. If this screen looks too big or too small for your bins, check out the rest of our catalog for an option that better suits your needs!

Trash bin size. (Gallon)

ZP19047 Highland 3ft W x 4.8ft H Lattice Vinyl Privacy Screen Kit

96 Gal.

64 Gal.

48 Gal.

► Please note that the above illustrations assume your bin is sitting on level ground. If you put your bin on top of an elevated surface, like paver stones, assume it will be 1-2 inches higher than shown here.
