# Construction Adhesive

*The Gorilla Construction Adhesive family is tough, versatile, and bonds virtually any surface including wood, drywall, concrete, paneling, trim & molding, ceramic, tile, and more! Looking for a more specific type of Construction Adhesive? Gorilla's got it covered!*

### HEAVY DUTY

Best for a tough, versatile, all-weather hold.

### ULTIMATE

Best for an instant grab and ultimate durability.

### MAX STRENGTH

Best for maximum strength plus an invisible, crystal clear finish.
