

REVERSIBLE FIRECLAY FARMHOUSE SINK INSTRUCTIONS

Suitable For All LaToscana Fireclay Sinks

Tools Required:

Saber or Keyhole Saw – Ruler & Pencil – Sanding Block – Sealant (not included) – Sand Paper – Glasses – New Faucet (optional)

TILE-IN INSTALLATION

- 1) Sink is designed for installation flush with (or slightly lower than) surrounding tile.
- 2) Measure sink apron and cabinet opening to make sure sink apron will fit into cabinet opening. San opening or add wood filler strips, if necessary.
- 3) Assemble faucet according to manufacturer's instruction.
- 4) Place thin layer of sealant at each corner of supporting frame where it will contact the sink.
- 5) Gently position sink within the frame, placing sink in the center of the cabinet.

NOTE: Cabinet and supporting framework should be reinforced to hold up to 300 lbs securely once sink is installed. This typically involves timber supporting frame with 3/4 " plywood deck or brick plinth.

UNDERCOUNTER INSTALLATION

- 1) The supporting frame should be positioned so that top of the sink rim (when placed inside cabinet) is level and flush with top surface of the cabinet perimeter support or underlayment at the cut out area.
- 2) Measure sink apron and cabinet opening to make sure sink apron will fit into cabinet opening. If necessary, sand opening or add wood filler strips.
- 3) Assemble faucet according to manufacturer's instruction.
- 4) Place thin layer of sealant at each corner of supporting frame where it will contact the sink.
- 5) Gently position sink within the frame, placing the sink in the center of the cabinet.
- 6) Make sure the sink rim is level and flush with cabinet perimeter. Adjust or shim between sink and support if needed to obtain proper fit. Top of the sink rim must be flush with the top of the cabinet perimeter in order to obtain proper contact with underside of the counter top.
- 7) Assembler strainer or garbage disposal to the sink according to manufacturer's instruction.
- 8) Using sealant between sink and cabinet is optional and up to buyer's discretion.
