

KLEEN KOTE 111 - RELEASE AGENT AND EQUIPMENT PROTECTION

The ultimate protection, KLEEN KOTE is a long-lasting, biodegradable release agent formulated with corrosion-inhibiting properties. KLEEN KOTE creates a virtually non-stick barrier on the surface of equipment, tools, machinery, vehicles, and concrete form work. Repel debris, protect and extend the useful life of your rental fleet during active use and seasonal storage.

BENEFITS

- Safe for use on all types of surfaces--rubber, metal, plastic, electrical/wiring, glass, wood, motors
- No special equipment or clothing required for application
- Environmentally safe, biodegradable--does not contain any solvents, silicones or phosphates
- Water-based, low odor
- Low V.O.C.-- 15 g/L
- Prevents corrosion caused by salt, fertilizer and the environment
- Protects equipment during: use, storage, transit, export, preservation and seasonal lay-up

AVAILABLE SIZES:

- 32 oz. Spray Bottle
 - 6-32 oz. Spray Bottle Retail Ready Pack
