## Product Care

Home Adores products are treated with only the finest ingredients. We recommend the following precautionary steps to ensure long-lasting enjoyment of your purchase:

**STAINING:** Clean the underside of the furniture unit with a cloth before placing it in the desired location to prevent staining. Avoid dragging furniture on carpets to prevent possible staining.

**NORMAL USE AND GENERAL CLEANING :** Clean the surface with a damp (not wet) cloth, followed by a clean, dry cloth. It is not recommended to use aerosols on the finish.

**WATER RINGS AND SPOTS:** Placing hot or cold beverages on a wooden surface may cause damage to the finish. Please use a coaster and wipe away any spilled water immediately.

**SOLVENTS:** Solvent-based polishes are flammable and toxic if swallowed. Once used, they cannot be completely removed. DO NOT USE SOLVENT-BASED POLISHES.

**CANDLES:** Lighting candles on furniture causes the wax to drip and harden on the finish. Scrape off thin layers using a plastic card, such as a credit card. Use a soft cloth and lemon oil to remove any final wax remnant.
