

LED LAMP

SPECIFICATIONS

The understated refinement of this sculptural glass sphere is sure to become a conversation piece. Its contoured geometric shape and delicate detailing deliver simple elegance to any room. Discreet white filament LED strips line the bottom edge to create an invisible bulb effect. Clean lines and soft light add a touch of sophistication to residential spaces, hotels, and luxury retail spaces. Its Soft White 2700K color temperature provides an inviting glow ideal for living rooms, dining areas, and bedrooms. Create a premium look in your space while saving energy with LED technology. Each bulb emits 500 lumens using only 5.5W of electricity. No special fixture is needed for installation. This bulb fits into medium E26 household sockets. Hang it from pendant lights or screw it into wall sconces for a modern update to traditional fixtures. Pair with Feit Electric woven fabric pendants to complete the look (sold separately). Integrated LEDs inside the bulb last up to 15,000 hours, for up to 13.7 years of gorgeous light.
